Manufadhar Manada and Asia and

Programmer

Travel to Paris

John Paul E. Cudiamat

2024 Vision Board

This is my vision board, 10 years from now. I envision myself as a successful programmer, to own a beautiful house and car, to travel to Paris and to stay healthy and happy. I said these things because I have the qualities to be a successful programmer. Like hard worker, problem-solving skills, and willingness to learn.

Have a Car

have a house

Healthy and Happy
